

Curriculum Vitae

Name: Hussam Hesham AL-BILBISI

Nationality: Jordanian

Languages: Arabic (Mother Language)
English (Excellent)
Japanese (speaking and hearing Good) (reading and writing Poor)

Current Address: Geography Department / School of Arts
The University of Jordan
Amman 11942 Jordan
Tel: +962-79-6723716
E-mail: hbilbisi@ju.edu.jo
hbilbisi@yahoo.com

Education-Academic Profile

April 2001 – March 2004 (PhD) Remote Sensing & GIS
Center for Environmental Remote Sensing (CEReS)
Graduate School of Science and Technology
Chiba University-Japan.

Oct. 1999 – March 2001 Research Student
Center for Environmental Remote Sensing (CEReS)
Chiba University-Japan.

Feb. 1989 – Jan. 1992 (M.Sc) Geology
Earth and Environmental Sciences Department.
Yarmouk University- Jordan.

Feb. 1985 – Jan. 1989 (B.Sc) Earth and Environmental Sciences
Earth and Environmental Sciences Department.
Yarmouk University- Jordan.

Professional Work

July 2019 – Date	Professor of Remote Sensing & GIS Geography Department, School of Arts The University of Jordan, Amman- Jordan
Sept. 2019 – Date	Deputy Dean for Quality Assurance and Development Affairs School of Arts The University of Jordan, Amman- Jordan
Sept. 2018 – Sept. 2019	Head of the Geography Department, School of Arts The University of Jordan, Amman- Jordan
March 2012 – June 2019	Associate Professor of Remote Sensing & GIS Geography Department, School of Arts The University of Jordan, Amman- Jordan
Sept. 2014 – Sept. 2015	Associate Professor of Remote Sensing & GIS Geography Department Mu'tah University, Karak- Jordan
Sept. 2006 – Feb. 2012	Assistant Professor of Remote Sensing & GIS Geography Department The University of Jordan, Amman- Jordan
Sept. 2010 – Aug. 2012	Dean Assistant for administrative affairs School of Arts The University of Jordan, Amman- Jordan
April 2004 – Aug. 2006	Researcher & Academic Staff Center for Environmental Remote Sensing (CEReS) Chiba University-Japan.
Sept. 1996 – Sept. 1999	Teaching Assistant Earth and Environmental Sciences Department The Hashemite University-Jordan.
Sept. 1996 – Aug. 1998	Consultant Geologist and Geotechnical Engineer SALINI-ITALSTRADE J.V.Co. Karameh Dam Project-Jordan.
Aug. 1994 – Aug. 1996	Senior Geologist and Geotechnical Engineer SALINI-ITALSTRADE J.V.Co. Karameh Dam Project-Jordan.
June 1992 – July 1994	Engineering Geologist Geotechnical Engineering and Material Testing Co. Amman-Jordan.

Research Interests:

Using GIS & Microwave and Optical Remote Sensing Data For:

- 1- Applications of GIS & Remote Sensing in Land Degradation.
- 2- Applications of GIS & Remote Sensing in Environmental Studies.
- 3- Image processing of Remotely Sensed Data.
- 4- Land Remote Sensing (Change detection & Land degradation).

Publications

- 1) Arwa Aboislaih; Rima Yaghan; Mustafa M. Al Kuisi; and **Hussam Al-Bilbisi, (2020)**. Impact of climate change on flash floods using hydrological modelling and GIS: Case study Zarqa Ma'in area. **International Journal of Applied and Natural Sciences (IJANS)**, Vol. 9, Issue 5 pp 29-52.
- 2) **AL-BILBISI, Hussam. (2019)**. Spatial monitoring of urban expansion using satellite remote sensing images: A case study of Amman city, Jordan. **Sustainability** 11, no. 8: 2260.
- 3) Osama Khalil Abdeljawad and **Hussam Hesham AL-BILBISI**. 2019. Analysis and detection of changes in land cover patterns and compare them with the map of land uses in the AL-Muwaqqar district using satellite imagery and geographic information systems. **DIRASAT: Human and Social Sciences**, Vol. 46, No. 2, pp 245-266 (Amman: The University of Jordan) *(In Arabic Language)*.

39) **Hussam AL-BILBISI** and Ryutaro Tateishi, (2002). Monitoring of land degradation in northeastern Jordan by remote sensing, **Proceedings (in CD-ROM) of 5th International Symposium on Land Cover /Asia**, Center for Environmental remote Sensing (CEReS), Chiba University, Chiba, Japan.

40) **Hussam AL-BILBISI** and Ryutaro Tateishi, (2002). A study on land use/cover classification using multi-temporal JERS-1 (SAR) L-band in arid and semi arid area. (A case study in northeastern Jordan), **Proceedings (in CD-ROM) of the 23rd Asian Conference on Remote Sensing**, Kathmandu, Nepal.

41) **Hussam AL-BILBISI** and Ryutaro Tateishi, (2002). A study on change detection and monitoring of land degradation in Northeastern Jordan using satellite remote sensing data, **Proceedings of the Annual Conference of the Japan Society of Photogrammetry and Remote Sensing**, pp.63-68, Tokyo, Japan.

42) Al-Akhal, H., **AL-BILBISI, H.**, and Al-Dwairi, I., (2001). Contribution to the Geochemistry, Petrography, and Tectonic Evolution of a Neoproterozoic rock suite from southwest Jordan. **Freiberger Forschungshefte**. C494: pp1-9. Germany.

Book

Nikolai KHARIN, Ryutaro TATEISHI, Peter GUNIN and **Hussam AL-BILBISI**, (2004), DEGRADATION OF THE DRYLANDS OF NORTHERN AFRICA. Center for Environmental Remote Sensing (CEReS), Chiba University-Japan.

Academic Awards

- 1- Awarded a scholarship of the Japanese Government-MONBUSHO (Ministry of Education, Science, Sports and Culture) for research student at Center for Environmental Remote Sensing/Chiba University, (from 10-1999 to 3-2001).
- 2- Awarded a scholarship of the Japanese Government-MONBUSHO (Ministry of Education, Science, Sports and Culture) for PhD Degree in Remote Sensing at Graduate School of Science and Technology/Center for Environmental Remote Sensing Chiba University (from 4-2001 to 3-2004).

Courses Taught:

B.Sc. Courses:

- 1- Principles of Remote Sensing.
- 2- Remote Sensing Techniques.
- 3- Geographic Information Systems (**GIS**).
- 4- Principles of Cartography.
- 5- Digital Thematic Mapping.
- 6- Geography of Arid Regions.

M.Sc. Course:

Advanced Geographic Information Systems (**GIS**)

Ph.D. Course:

Advanced Remote Sensing
Spatial analysis / GIS

Supervision of Student Research Projects

PhD-Supervision: 13 students

MSc-Supervision: 18 students

PhD & MSc Examination Committee: more than 57 Theses (25 theses as a chairman)

External Activities:

Editorial Board of:

Journal of Ecology & Natural Resources (ISSN: 2578-4994)

<https://www.medwinpublishers.com/JENR/editorial-board.php>

Referee for the following Journals:

- 1- International Journal of Remote Sensing.
- 2- International Journal of Digital Earth.
- 3- Asian Journal of GEOINFORMATICS.
- 4- Dirasat Journal, Jordan University.

Community Services Activities

- Several training courses in Remote Sensing and GIS were conducted for both public and private sectors employees
- Introducing the applications of Remote Sensing and GIS Sciences for colleges and schools students (several times).
